LETTER FROM THE CEO

Dear Friends,

In fiscal year 2020, Feeding San Diego provided 31.2 million meals to people facing hunger – a 19% increase over the prior year. The devastating COVID-19 pandemic and ensuing economic shutdown created unprecedented levels of food insecurity, and the need for our help increased exponentially. Our community responded with an outpouring of critical support, and we welcomed 10,000 new donors. Thank you to all of our past and new supporters!

Our challenge then became how to work with our 300+ agency partners to meet this unprecedented need. With food donations scarce, we worked quickly to determine how to fill the ‘supply gap’ by efficiently purchasing food so everyone had access to food to feed themselves and their families.

In addition, when COVID-19 hit, our agency partners needed support too. We waived shared maintenance fees immediately to be sure that we could do our part to ease the burden of rising expenses along our entire distribution network. We continue to ensure that every penny of funds raised is being spent on feeding more and more people in need, and working towards closing the hunger gap in San Diego County.

Looking forward to fiscal 2021, we will implement plans to maximize our current healthy financial position to immediately focus on hot spots of hunger across the county. We are committed to strengthening collaborations with our agency partner network and working together to solve this most pressing need at a very critical time. And thanks to the community’s continued generous support, we are well positioned to work towards efficiently providing tens of millions of meals over the next few years.

Together, we can do this!

Sincerely,

Dan Shea
CEO

PATHWAYS TO HUNGER-RELIEF

In FY20, Feeding San Diego distributed 31.2 million meals through a variety of hunger-relief initiatives:

FEEDING KIDS

Feeding San Diego distributes nutritious food to local students through direct-to-client distributions and community partner programs.

FEEDING FAMILIES

Feeding San Diego works to provide healthy meals to families across the county through direct programs and with agency partners.

FEEDING SENIORS

Seniors are California's fastest-growing population. Feeding San Diego supports food-insecure seniors in San Diego County through a number of different strategic partnerships.

FEEDING HEROES

San Diego is home to several military bases and thousands of active duty service members. Feeding San Diego proudly serves military families and veterans in partnership with local military organizations.

FEEDING EXCELLENCE

Feeding San Diego focuses on advocacy, CalFresh outreach and capacity building to maximize program impact.

The following pages outline the impact of the programs that supported each initiative.

FEEDING KIDS

SCHOOL PANTRY PROGRAM

The School Pantry Program helps alleviate child hunger in San Diego County by providing nutritious, healthy food to low-income students and their families. Distributions set up in a farmer’s market style are consistently in the same locations at each campus, have routine distribution schedules, and provide access to nutrition education and additional community resources. When food is provided at locations a family already visits, parents and guardians do not have to give up more of their valuable time and transportation budget to put food on the table.

Total Meals	2,332,858

“

It’s so expensive to live here in San Diego - this distribution has been great. Sometimes I’m faced with the decision of either feeding my kids or feeding myself, and I always choose my kids. This distribution has helped out a lot and made it so I don’t have to make that choice as often.

- Rebecca

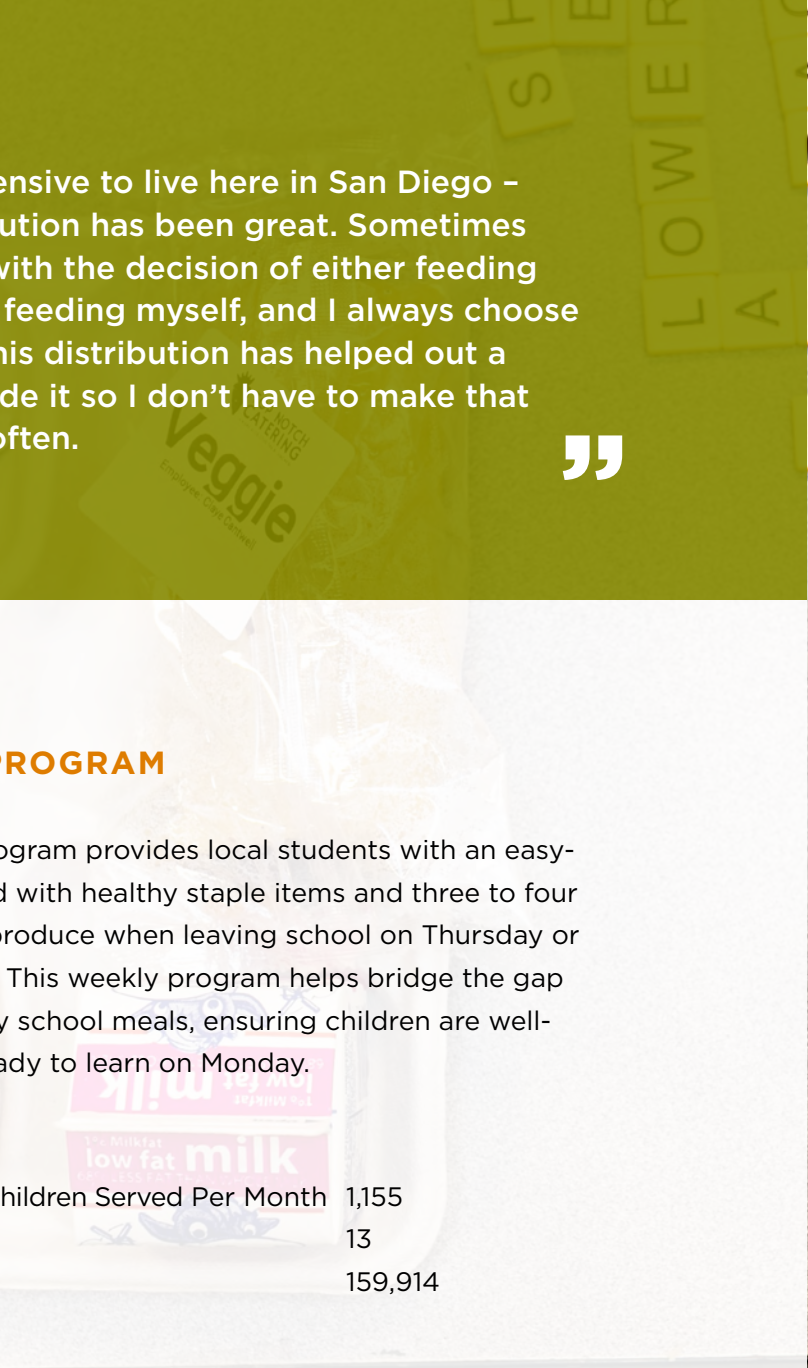

”

BACKPACK PROGRAM

The BackPack Program provides local students with an easy-to-carry bag filled with healthy staple items and three to four pounds of fresh produce when leaving school on Thursday or Friday afternoon. This weekly program helps bridge the gap between weekday school meals, ensuring children are well-nourished and ready to learn on Monday.

FY20 RESULTS

Average Unique Children Served Per Month	1,155
Number of Sites	13
Total Meals	159,914

AFTER SCHOOL AND SUMMER MEALS PROGRAMS

We provide deliveries of food, coordinate pickup of rescued food from donors and retail partners, and ensure food safety and compliance standards are in place to protect people facing hunger. In addition, Feeding San Diego provides limited cash and in-kind grants to support agency partners in strengthening and expanding their capacity to serve additional people in need.

“

This distribution has really eliminated the extra stress of feeding 6, 5, and 1-year old children and caters to the different diets they need. I can count on giving something nutritional to them. This is a support system for my family. If this distribution were not there, it would be more stressful for us. My family is truly grateful for the work you do. Thank you.

- Priscilla

”

MOBILE PANTRY PROGRAM

The Mobile Pantry Program helps address rural hunger by providing nutritious, healthy food to families in the rural Northeast and Southeast regions of San Diego County. In addition, college campuses have set up fixed on site pantries for the everyday needs of students. HEROES

San Diego is home to several military bases and thousands of currently serving and retired service members. As a part of the San Diego community, and in partnership with local military organizations, Feeding San Diego seeks to serve and support members of our active duty military and veteran households facing food insecurity throughout San Diego County. To meet this need, Feeding San Diego and our partners reach households through two direct service sites, three school pantries, one rural mobile pantry and agency partners by providing food and food assistance services to military and veterans in a holistic and dignified manner.

In line with the USDA, Feeding San Diego defines a senior as a person age 60 and older. Feeding San Diego and its partners reach these individuals through client-choice distributions at three sites and produce to seniors in partnership with one Meals on Wheels (MOW) site. In addition, agencies serve seniors through regularly held distributions throughout the month.

Hunger Relief Champions

“

I have three people in my family,
but no earning members. And
I have an autistic child. I am
disabled too so this has [food
distribution] been a lot of help.
When I find people who don't
know about this program, I tell
them about it. People often think
that they will be asked a lot of
questions, but I tell them not to
be afraid and that they will not
be asked for their ID or anything.
I tell them that I had a very bad
situation in my family and this
helped me a lot.
- Roaza

STORIES OF CHANGE

“There have been a lot of times we have gone hungry. Because I am not working right now, the income is a lot less. Last week, we actually ran out of food, because my partner doesn’t get paid until Thursday. There are times when I don’t need it, but when I’m not working it helps. I make soups out of a lot of vegetables. The quality of the food is good.”
- Lyubov

“I’ve been volunteering for 5 years. I came to the clinic and then learnt about the distribution. I look after my dad — he’s 75 — and I take food for my neighbors. It is a blessing as it’s helping so many people. There is a big need for this support out here. Nothing goes to waste!”
- Miguel

“We have to take care of my mom because she has Alzheimer’s. It’s hard to take her shopping. This distribution is a blessing. All this food goes to my mom. We moved here three years ago. Sold our house to help. You’ve got to do what you’ve got to do for family.”
-Mary

“I have five kids; four of them are in school. This distribution definitely helps with my kids’ school lunches. It also helps financially because food gets so expensive. I am excited when there is celery because I like juicing, so I drink celery every day.”
-Jessica
