**ACHIEVE INTERNET HOSTS CHARITY FOOTGOLF TOURNAMENT**

*March 20 fundraiser supports hunger-relief through Feeding America San Diego*

San Diego, CA – February 25, 2016 — [Feeding America San Diego](#) (FASD), the leading hunger-relief organization in San Diego County, FootGolf San Diego and [Achieve Internet](#), the world's leading web development firm specializing in open source back-end solutions, together announce a charity footgolf tournament scheduled for March 20, 2016. The tournament will take place at Mission Bay Golf Course at 3:00 p.m. to benefit critical hunger-relief and nutrition programs through the local nonprofit.

FootGolf is a new hybrid sport that combines soccer and golf. It takes place on a golf course, where players tee off with a soccer ball and aim for a 21-inch diameter cup, typically 60-200 yards down the fairway. Following the same rules as golf, the goal is to kick it in the hole in as few shots as possible. The sport has quickly gained a following and can be enjoyed by people of all ages and skill levels. Learn more at [FootGolfSanDiego.com](http://FootGolfSanDiego.com).

Currently, more than 400,000 local residents, including 1 in 5 children, are struggling with hunger. Feeding America San Diego is working to meet their immediate needs, while creating a long-term impact in the community through a comprehensive approach to hunger-relief.
