LOCAL CELEBRITIES AND HUNGER RELIEF CHAMPIONS SPEAK UP TO FIGHT CHILD HUNGER

Feeding San Diego Launches Fuel for Summer Today to Provide Meals for Children Over the Summer

San Diego, CA — May 15, 2018 — [Feeding San Diego](#) launched its [Fuel for Summer](#) campaign, alongside former New York Giant Steve Weatherford, Top Chef Angelo Sosa, Garden Fresh President Greg Keller, Feeding San Diego's CEO Vince Hall, and Dana Hayden and Emily Horowitz of Julian Pathways/Food Corps.

"We are from Julian, so it is a very rural area out there. For us, Feeding San Diego very much is a life or death situation," said Dana Hayden of Julian Pathways/Food Corps.

With community help, Feeding San Diego is raising 1 million meals to fight child hunger over the summer. These meals provide the vital nutrition and energy that children need during the summer months while school is out.

"And when summer comes, hunger comes," said Feeding San Diego CEO Vince Hall. "And so one of the major goals of this organization is to fill that summer gap with healthy, nutritious food for kids who rely on school lunches and can't get them when school is out."
