For Immediate Release

**Feeding San Diego to Help Alpine Residents Affected by West Fire
Local Hunger Relief Agency Will Help Fill Pantries and Fridges**

In response to the devastating West Fire that destroyed nearly three dozen homes and damaged many more, Feeding San Diego is sending an emergency shipment of fresh produce and other groceries to help families impacted by the blaze.

Residents affected by the West Fire or the power outages in the area may pick up healthy, fresh produce and packaged food at the First Baptist Church of Alpine tomorrow morning.

WHAT: Feeding San Diego Emergency Food Distribution
WHEN: Tuesday, July 10, 2018, 9:30 am - 10:30 am
WHERE: First Baptist Church of Alpine
1912 Arnold Way
Alpine, CA 91901

Feeding San Diego is an active partner in disaster relief and recovery efforts and is in regular communication with regional emergency services and a coalition of community groups, the Voluntary Organizations Active in Disaster, to provide leadership, support, and tangible supplies during a disaster.
