HELP GIVE KIDS FUEL FOR SUMMER

Did you know that before COVID-19, one in six children faced hunger in San Diego County and now it’s one in four? This past week we launched our Fuel for Summer campaign, presented by Ford Motor Company Fund and San Diego County Ford Dealers, to ensure that children across San Diego County can access the nutrition they need to grow and thrive over the summer months. The need is more urgent than ever before. Tune in to NBC7 and Telemundo 20 today for our Fuel for Summer Day of Giving! Ford Motor Company Fund is generously matching gifts up to $25,000.

LANDON DONOVAN SPEAKS OUT ABOUT CHILDHOOD HUNGER

Landon Donovan, Manager of the SD Loyal Soccer Club, holds numerous individual records in Major League Soccer and is regarded as one of the greatest U.S. men's soccer players of all time. As an athlete, he understands that without proper nutrition, children can't thrive. "I grew up often not knowing where the next meal was coming from so I can empathize and understand that this is a really tough time," shares Landon. "A lot of people need our help right now, so please help."

200,000 MEALS RAISED BY FEED THE NEED CONCERTS

Framed by Petco Park and views of the Coronado Bridge, music fans enjoyed the first live concert in California since the stay-at-home orders at last Sunday’s Feed the Need Drive-in Concerts. Presented by Baker Electric Home Energy, fans watched the performances from their cars and honked their horns in support at both sold out shows: a sunset performance by SWITCHFOOT and Hirie, and an earlier afternoon show starring the B-Side Players, SM Familia, and Los Sleepwalkers. Thanks to all involved, 200,000 meals were raised for Feeding San Diego!
