BILL WALTON, TONY HAWK AND JON FOREMAN
JOIN FORCES WITH FEEDING SAN DIEGO

To help ensure people facing hunger across San Diego County can access the nutrition they need, three San Diego legends, Bill Walton, Tony Hawk, and Jon Foreman, joined forces with Feeding San Diego to raise critical funds for food assistance during COVID-19.

THE ATLANTIC: FOOD BANKS CAN'T GO ON LIKE THIS

Demand is spiking. And meeting it is costlier than ever. Without more changes to federal and state food assistance, the status quo is unsustainable. “When you put a box of food in somebody’s car, and you look through the windshield and give them a wave, sometimes they’re smiling and sometimes they’re crying, but for many, it is the one hopeful, optimistic, compassionate thing that will happen to them that entire day. And food is the most visceral human need. Without adequate nutrition, we can’t expect people to address any other challenge.” - Vince Hall, CEO

NEW FOOD RESCUE VAN AWARDED TO BREAD OF LIFE RESCUE MISSION
Feeding San Diego awarded Bread of Life Rescue Mission, an Oceanside-based community partner, a new food rescue van to enable the organization to rescue more food to solve hunger in North County. With this van, the organization will be able to rescue surplus high-quality food from local grocery stores that would otherwise go to waste. “We are so thankful and proud to partner with Feeding San Diego,” said Tim Yzaguirre, Executive Director at Bread of Life Rescue Mission.

HUNDREDS OF FOOD DISTRIBUTIONS ACROSS SAN DIEGO COUNTY

Feeding San Diego hosts hundreds of food distributions across San Diego County. We are focused on providing reliable and consistent food distributions to ensure San Diegans can access food at convenient locations in their own neighborhoods. We want people impacted by COVID-19 to know that we are here for them and they can count on us in this time of need.

HONORING NATIONAL ARMED FORCES DAY

Did you know that San Diego County has the largest concentration of military and veterans in the country? The total number of residents associated with the military is over 1.2 million, which is 37 percent of the population. Whether or not your family has enough to eat should not be top of mind when you’re serving in the Armed Forces. That’s why it’s our honor to serve military families across San Diego County through our Feeding Heroes initiative. You fight for us, and we fight for you. Thank you for your service.

METALLICA & ALL WITHIN MY HANDS LAUNCH MONTH OF GIVING

A note from Metallica & All Within My Hands: Like many of you, we have been sheltering in place for over a month now. This is normally the time of year when we all get together at our local food banks for the Metallica & All Within My Hands Day of Service…we listen to loud music, box oranges, shuck corn, and we have a great time giving back together. We will do it again – hopefully soon – but in the meantime, our food banks are in dire need of support.
