A HELPING HAND FOR A HANDYMAN

Since the onset of the COVID-19 pandemic, Edgar's handyman business has suffered. "If I don't have work to do, I don't have money and we don't have food", Edgar shared. Edgar has five kids doing distance learning, "My kids really miss their friends and teachers, they miss going to school. The food we get at this distribution is so helpful." Edgar has been attending Feeding San Diego's distribution at Porter North Elementary for the past four months. "Thank you for helping us. We appreciate what you are doing for us, especially during this pandemic."
