What We Do & Our Impact

FEED
Feeding San Diego provides more than 40.3 million meals each year to people facing hunger through a decentralized rescue and distribution network. We distribute meals in partnership with nearly 300 local charities, schools, faith communities, meal sites, and food pantries.

RESCUE
Feeding San Diego rescues high-quality food before it goes to waste from 400 food donors in San Diego County and over 225 farms and packing sheds throughout California. By diverting more than 27.2 million pounds of food from the landfill, we saved 24,282 metric tons of CO_2 equivalent from being emitted into the atmosphere. We are protecting people and the planet.

UNITE
Our impact is achieved through our diverse food rescue and distribution network comprised of nearly 300 community partners, 400 food donors, 225 farms and packing sheds, over 14,700 volunteer hours, 21,700 donors, more than 65 staff, and beyond. Every dollar donated helps provide two meals for people facing hunger. Together, we are Feeding San Diego.
