

Hello Agency Partners!

Please read carefully: This notification is for all agency partners that pick up from Sprouts stores.

Good news! Sprouts will start their holiday “Grab N’ Give” Program next week. The “Grab N’ Give” program will run from **09/25/2024 – 12/31/2024**. All bags are premade and include the following items:

- 1 box of Cascadian Farms Cereal,
- 1 box Annie’s Fruit Snacks,
- 2 boxes Annie’s Mac & Cheese
- 1 bar Larabar Nutrition Bar

For legal/tax reasons, Sprouts needs to have all bags weighed, counted, and reported **SEPARATELY** from weekly food donations.

To report these Sprouts GNG bags:

1. Submit receipt in MealConnect using the Sprouts Grab N Give Bags donor option
2. In the receipt...
 - a. Use “Mix” category for food bags
 - b. Use “Nonfood” category for health & beauty bags
 - c. Include Store # and number of bags in description section

See example receipt below
